

# Living Kidney Donors Network and Chicago Chapter PKD Foundation

Invites those in need of a kidney transplant to attend a hands-on Workshop

## Having Your Donor Find YOU!

Saturday, October 20, 2018 at:

10:00 – 12:30 PM

(Please arrive 15 minutes earlier to sign-in)

Skokie Hospital - Abramson Conference Room 1st Floor  
9600 Gross Point Road Skokie, IL 60076

LKDN with the support of the Chicago Chapter of the PKD Foundation have teamed up to bring you an educational and communications training workshop.

This workshop educates those who need, or will need a kidney transplant and their advocates, friends and family members that want to help in the search, so invite them to join you. You will learn the facts about living donation and leave with the skills to effectively communicate this information to others. There are many benefits of a kidney from a living donor, i.e. they last on average twice as long as one from a deceased donor. **If you are apprehensive about talking to others about your situation, this workshop is for you!**

You will leave the workshop with a plan that will start you on the path to a successful living kidney transplant experience.

This is a complimentary class offered by LKDN and supported by Chicago Chapter of the PKD Foundation. The workshop is taught by transplant recipients and living donors who bring practical applications to this critical subject.

Space is Limited, you must **RSVP** to attend to:
